Re: Lyons v. Synapse Group, 08-CV-02963 (LAP)

Hon. Preska:

Pursuant to your honor's Court Rules 1.E, Plaintiff is requesting an adjournment of the scheduled court dates and an extension of time to conduct discovery. Such requests for adjournment and extension are made on consent. This is the second such request

On July 1, 2008, this Court set this matter down for bench trial on August 11, 2008.

All parties have been cooperating in completing disclosure as per Court Order. In fact, all discovery is complete except for the supplemental demands pursuant to depositions of Defendants and Plaintiff Neill Geisser AND the deposition of Plaintiff Monica Lyons and appurtenant supplemental demands, if any.

Unfortunately, Ms. Lyons has been stricken ill. The illness has manifested itself with an unexplained loss of consciousness. Ms. Lyons has been advised by Dr. June Le Pham, MD, not to fly pending the outcome of various medical tests. Upon the conclusion of such tests, and assuming that Ms. Lyons has no further episodes, Dr. Pham believes that Mr. Lyons could be well enough to travel in three (3) weeks.
